Get Ready for Middle School!

6th Grade Boot Camp

For Incoming 6th Graders
July 30 - August 2

Kids, worried about middle school? Parents, are you concerned that your student will be lost and won't know what to do in that new world that is middle school? This is a mini-camp for incoming 6th graders right before school starts to help students get ready for the year. Taught by Jason Grobe, a 6th grade social studies teacher at Esperero Canyon Middle School, This camp focuses on the information and skills students need to be successful in 6th grade. Mr. Grobe will teach students about study skills, learning styles, time management, schedules, writing, note taking, grading procedures, and generally everything you need to know to start the school year out confident and successful! Don't just worry and hope things go well; take control of your success and sign up today. This camp is geared towards students entering Esperero Canyon but all students entering 6th grade are welcome to enroll.

Monday, July 30 - Thursday, August 2

10:30am - 12pm or 1:00 - 2:30pm

Location: Esperero Canyon Middle School

Instructor: Jason Grobe

Fee: \$60

Camp Sunrise and Camp Sunset

Grades: K - 8

Fun activities including board and card games, quiet time and free play with friends, will keep students engaged during the **early morning** (7am and/or 8am) and **late afternoon** (4pm and/or 5pm) hours.

- Snacks will be provided during the 4:00pm hour.
- Register per week. Exception: Week 6 has a daily option.
- Week 9 - No Camp Sunrise or Sunset

FEES:

Week 1: \$16 per week for each hour chosen

Weeks 2, 3, 4, 5, 8: \$20 per week for each hour chosen

Week 6: \$4 per hour per day

For your child's safety all students enrolled in Camp Sunrise must be signed into class by a parent or guardian. Parent sign-out is required for Camp Sunset.

LUNCH OPTIONS

Students, K-12, may bring a sack lunch each day or Pre-order for meals.

- Pre-ordered Lunches are \$5 per day
- You can choose to purchase a meal by prepaying for the days you want at the time of registration.
- Sign up by the Wednesday prior to the week you are ordering lunch.
- There will not be any meals available on a daily basis for cash purchase.
- Lunches will include bottled water.

Lunches are provided by:

Monday - Thursday: El Charro & Sir Veza's Taco Garage:

Grilled Chicken, black beans, fruit

Bean & Cheese Burrito, rice, orange slices

Rolled Chicken Tacos, refried beans, fruit

BBQ Pork sandwich, chips, applesauce

Chicken Drumstick, corn, roll

All Beef Hotdog, macaroni & cheese, orange slices

Grilled Chicken Quesadilla, refried beans, applesauce

Pasta & Meatballs, roll, fruit

Fridays - Papa John's:

Pepperoni or Cheese Pizza and fruit

Every Wednesday is Ice Cream Day!

Pre-order or bring \$3 cash to purchase a delicious cup of ice cream from Isabella's ice cream truck. Isabella's uses only the most select ingredients and pledges that no artificial ingredients, stabilizers or fillers are used in their products. Their pure and natural ingredients result in a very dense and rich ice cream. All of Isabella's ice cream is made locally in Tucson.

OUTDOORS

*Early Bird Fee listed on each program is for the period of March 14th - May 18th. After May 18th, the regular pricing will apply.

Exploration Arizona

3-8 miles, 1500-3000ft elevation change. Moderate physical exertion sustained for longer periods of time. Hiking boots required. No flat soled shoes permitted. Suitable for those with moderate outdoor experiences. *Must have prior camping & beginning backpacking experience.*

Let's explore the White Mountains! Day hikes to beautiful springs, backpacking around big mountains and wild rivers, sitting by a fire in cool temperatures, we will enjoy it all! Don't miss your chance to backpack around the state's highest peak and learn about this unique area of the Navajo Nation! We will discuss how river modifications, mining and industry affects the ecology to give us a better appreciation for the outdoors! While you are with us learn some great backpacking tips, survival skills and backcountry recipes! Backpacks for use during overnights may be available upon request. A detailed trip itinerary and pack list will be emailed prior to departure.

Guides: Mary Grodman & Polly Tanner
Grades: 5-9

Week 2: Depart Monday, June 4 at 8:00am -
Return, Friday, June 8, 2018 at 4:00pm

*Early Bird Fee: \$490.50 Regular Fee: \$545

Mt. Lemmon Bound

3-8 miles, 1500-2000ft elevation change. Moderate physical exertion sustained for longer periods of time. Supportive soled shoes required. No flat soled shoes permitted. Suitable for those with moderate outdoor experiences.

Join us for a week of adventure as we escape the Tucson heat & head up to Mt. Lemmon. Hike different trails each day ranging from 2-6 miles on Monday, Tuesday & Wednesday with day trips up the mountain. Thursday will be our overnight campout.

Learn outdoor survival skills, knot tying, orienteering & map reading skills, observe wildlife & keep a detailed journal of your discoveries.

No flat-soled shoes permitted. Students should have some experience hiking prior to this camp. Please bring a sack lunch, snacks & a sturdy hiking backpack with the ability to carry at least 2 liters of water each day. A detailed overnight supply list will be provided the first day of camp.

Guides: Mary Grodman & Polly Tanner
Grades: 4-8

Week 3: June 11 - June 15, 2018

9:00am - 4:00pm (Monday - Wednesday)

Thursday - Arrive at 9:00am for our overnight, return Friday at 4:00pm

*Early Bird Fee: \$283.50 Regular Fee: \$315

Four Corner Explorers

4-8 miles, 1500-2000ft elevation change. Moderate physical exertion sustained for longer periods of time. Hiking boots or shoes required. Suitable for those with moderate outdoor experiences. Must have prior camping experience!

Ready for an amazing adventure? Our journey takes us into the Colorado Plateau with a stop to see the Four Corners Monument on our way to Great Sand Dunes National Park and Preserve! This park contains the tallest sand dunes in North America - up to 750 feet tall! Experience this unique area of the country as we hike in diverse landscapes of grasslands, wetlands, and alpine forests. Splash in Medano Creek, one of the few places in the world where one can experience surge flow, a stream flowing in rhythmic waves on sand! We will also experience spectacular night skies and nocturnal wildlife during our visit! All food & equipment will be provided. A detailed trip list will be provided before departure.

Guides: Mary Grodman & Polly Tanner
Grades: 5-9

Week 5: Depart Monday, June 25 at 8:00am -
Return, Friday, June 29, 2018 at 5:00pm

*Early Bird Fee: \$490.50 Regular Fee: \$545

Mt. Lemmon Bound Geocaching

3-8 miles, 1500-2000ft elevation change. Moderate physical exertion sustained for longer periods of time. Supportive soled shoes required. No flat soled shoes permitted. Suitable for those with moderate outdoor experiences.

It's all about day hikes with a treasure hunting twist! Mt. Lemmon is not just a great place for day hikes, it's a Geocache dream! Who knew some of the most popular hikes have geocaches hidden along the way? Learn to program, read and navigate with a handheld GPS device so these secret treasures can be yours! We will also learn and practice "Leave No Trace" by Caching-In and Trashing-Out, making sure to leave our mountain cleaner than we found it. A supply list will be provided prior to camp. Students should have some experience hiking prior to this camp.

Guides: Mary Grodman & Polly Tanner
Grades: 4-8

Week 4: June 18 - June 22, 2018

9:00am-4:00pm

*Early Bird Fee: \$270 Regular Fee: \$300

Destination Utah

4-10 miles, 1500-3000ft elevation change. High physical exertion sustained for longer periods of time. Hiking boots or shoes required. Suitable for those with moderate to advanced outdoor experiences. Must have prior camping experience!

Discover two of America's most special parks! Crowning the Grand Staircase, Cedar Breaks sits at over 10,000 feet and looks down into a half-mile deep geologic amphitheater. Come wander among timeless bristlecone pines, stand in lush meadows of wildflowers and ponder crystal-clear night skies. Then we are off to explore Zion, Utah's first National Park! Follow the paths where ancient native people and pioneers walked. Gaze up at massive sandstone cliffs of cream, pink, and red that soar into a brilliant blue sky. Hike in the Virgin River and into a narrow slot canyon in Zion and discover a unique array of plants and animals that will enchant you as you absorb the rich history of the past and enjoy the excitement of our adventures. All food & equipment will be provided. A detailed trip list will be provided before departure.

Guides: Mary Grodman & Polly Tanner
Grades: 5-9

Week 9: Depart Monday, July 23 at 7:00am -
Return, Friday, July 27, 2018 at 5:00pm

*Early Bird Fee: \$490.50 Regular Fee: \$545

CAMP Foothills WEEK 1: MAY 29 - JUNE 1

HOT LUNCH OPTIONS

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
No Camp	Grilled Chicken	Bean & Cheese Burro	Rolled Chicken Tacos	Pizza
DON'T FORGET TO PREBUY YOUR ICE-CREAM FOR WEDNESDAY!!				

Acting 101 Take the week to jump into another's shoes and tell their story. Practice acting techniques and discover how to create a whole new character.

Baked Delights Learn to bake a variety of delicious and healthy treats. (Allergy warning: This is not a gluten/dairy/nut free class)

Ball Games Basketball, soccer, sprouts, medic, kickball, and more oh my!

Ballet Learn and practice techniques in grace that will help your strength and balance in this timeless dance form. Beginners welcome!

Breakfast for Dinner Breakfast isn't just for mornings anymore! Learn how to make breakfast inspired meals to impress your family and friends. (Allergy warning: This is not a gluten/dairy/nut free class)

Capture the Flag Join us for an intense game of speed, agility, and strategy! If you can outrun or outsmart your opponent you may end up capturing the flag!

Colored Pencils In this colorfully-creative class we will learn how to use colored pencils to blend shades, create geometric shapes, and develop abstract pieces. Use your eyes to draw our colorful world.

Comedy Push yourself into new creative directions and create winning punch lines to share with friends!

Creative Sand Art This class will include rangoli inspired different styles of sand art. Create beautiful Indian inspired artwork with simple and complex designs using colorful sand.

Dino Diets Do dinosaurs eat tacos? Learn about the diets of the different types of dinosaurs. Find out what our prehistoric friends used to eat on a daily basis.

Dino History Learn about the history of the largest living creatures in history! What can kind of fun and interesting facts will you discover?

Drawing This fun class is all about learning the basics and gaining confidence in drawing. We will learn and develop a wider range of drawing skills in basic shapes, silhouettes, and fantasy-scapes.

Dream Boards Visualize your dreams! Use magazines, newspapers, and other printed media to create an inspiration board.

Field games Play a variety of team games in a wide open setting.

Fire Fighters Not all heroes wear a cape! Learn more about the everyday heroes who are always there to help save the day.

First Responders Police officers, firefighters, EMTs! Learn more about the community helpers who are first on the scene to lend a helping hand.

Floor Hockey Come inside and cool off with indoor floor hockey. Together we will learn how to be quick on our feet, handle the puck using a hockey stick, and shoot accurately.

Fossil Digging Come uncover fun with fossils! Discover how fossils are formed, what they can teach us, and how to make your own.

Frisbee Golf Learn how to aim and throw a disc in this slow-paced frisbee game. Come see if you can get a hole in one!

Frisbee Softball Twist softball and frisbee together in this energetic, fast-paced disc game. Throw the disc, round the bases, and slide into home in this fun outdoor game.

Gator Ball Games Games is the name is the name of the game! We'll play everything from ball games to team games and everything in between!

Henna Art Take a peek into origin and history of Henna! You will learn techniques to make henna paste, beautiful henna designs, and take away cones. (Allergy warning: be aware that portions of class may include the option to create henna art on the skin.)

Improv Allow your creativity to flow in this fun and entertaining class in this improvisational how-to class.

Indoor Soccer Dribble, pass, and shoot! Let's practice our soccer skills in some exciting scrimmage games on the gym floor.

Jazz Let's dance! This class will help expand your coordination, musicality, and rhythm. We will discover the fundamentals and technique of dancing to jazzy, upbeat music!

Kickball Come play the classic recess game. Throughout the week we will twist it up and play some fun variations of this favorite sport.

Legends Explore legends from around the world including King Arthur and the Knights of the Round Table, Robin Hood and more!

Mad Science Experiment away in this fun STEM class. Follow the scientific method to find answers to the hows and whys of science.

Mythology Listen to and read about mythological tales from around the world including Greek, Celtic, Chinese and Hawaiian mythologies. Make Mythology related crafts and compete in Olympic games.

Paper Quilling Learn how to do paper quilling of different shapes and sizes. Create beautiful artwork relating to nature using different methods of paper quilling.

Parachute Games Play with everyone's favorite piece of PE equipment: the giant parachute! We will have fun with the classic parachute games and some variations of our own.

PE Games It's the best of PE every day! Come test your skills and see if you are a true gym star!

Pebble Art Use pebbles from the environment to create inspiring artwork with a message.

Police People Take a step into the lives of those who protect and serve your community. Get your fingerprints taken, make your own police badge and much more!

Programming Camp In this tech savvy class, campers will be using Khan Academy and Code.org to build their capacity to read and write code. Tutorials will allow the campers to use both line and block code. No experience necessary!

Puppet Pals Learn how to make puppet friends out of different materials. Become a puppeteer with your own fun and unique puppet creation!

Sticky Creations Glue, Borax, liquid detergent, oh my! What can you put together to make sticky creations in the STEM class?

Slime Ready to get slimy?! Make your own gooey, slimy concoctions to take home.

Smoothies Let's bust out those blenders! Try some delicious and easy recipes for a cool summer treat. (Allergy warning: This is not a gluten/dairy/nut free class)

Strength & Conditioning Enjoy a great workout that will help improve your endurance, increase your muscular strength, and keep you healthy.

Superheroes Fulfill your dream to become a superhero! Create your own capes, fight crimes, and discover your own unique superhero characteristics.

Tag Games You're it! Race around with your friends playing different variations of our favorite tag games.

Tap A A technical and rhythmic dance that is entertaining and elaborate. Come learn how to make music with your feet!

Team Games Be part of the team with fun group games that will help improve your problem-solving skills, help build better communication skills, and more!

The New Classics - Elimination, Ultimate & More! It's time to play! This course will be an exciting and interactive way to learn and play sports while practicing exceptional teamwork.

Ultimate Frisbee Embrace sportsmanship in this sport as we learn the basics of Frisbee and the most popular disc game - Ultimate Frisbee. Students of all skill levels and experience are encouraged to join in the Frisbee fun!

Unconventional Painting Think out of the canvas! In this class you will create painting projects with shaving cream, nail polish, sharpies and more.

Watercolors All skill levels are welcome to come create. We will use various techniques of lines, shapes, and blending to bring our watercolor designs to life.

Yard Birds Create colorful one of kind bird creations using various techniques.

Yoga and Meditation Learn how to do yoga to keep fit and healthy and improve body awareness. We will practice yoga stretches, peaceful meditation, and play fun games to take care of minds, bodies, and spirits.

 Tennis @ Skyline Country Club	Early: \$193.50 Regular: \$215	K-8	Enjoy individual attention as you work on all aspects of your game. An optional swim break is included, so remember to bring your swimsuit! Transportation is provided to and from Catalina Foothills High School.
 Golf Lessons @ Skyline Country Club	Early: \$193.50 Regular: \$215	K-8	Join us on the greens this summer for golf lessons. Community Schools is pleased to partner with Skyline Country Club and their pro golfers to see how fun golf can be! Get instruction in full swing, chipping, putting, rules, and etiquette. We'll cool off in the pool after our golf lessons before returning to CFHS, so remember to bring a swimsuit and towel. Transportation is provided to and from Camp Foothills.

AFTERNOON SPECIALTY CAMPS 1 PM - 4 PM

 Recreational Swim	Early: \$112.50 Regular: \$125	K-8	Come cool off this summer at the pool! You must be able to swim independently to attend. Bring your swimsuit, water bottle, towel, and sunscreen. Transportation will be provided to and from Catalina Foothills High School.
Special Effect Makeup	Early: \$121.50 Regular: \$135	5-8	Transform yourself into a zombie! Learn how to do special effects makeup in fantasy styles. Students will practice using different techniques and skills for special effects makeup. (Allergy warning: makeup will be applied to the skin. Please consider any sensitivities your child may have.)
Robotics using NXT	Early: \$153 Regular: \$170	4-8	Build and program robots using the LEGO® Mindstorms® NXT system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups, program and build your robot, and rise to the challenge. Control the robot to avoid obstacles, pick up and carry objects, and play sounds. Projects are structured so that students work in an open-ended, investigative environment while having fun.
Volunteerism	Early: \$121.50 Regular: \$135	5-8	Make difference! Learn about the meaning and impact of volunteering in your local community. Students will learn about local volunteer organizations and how they can get involved.

HOT LUNCH OPTIONS

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
BBQ Pork Sandwich	Chicken Drumstick	All Beef Hotdog	Grilled Chicken Quesadilla	Pizza
DON'T FORGET TO PREBUY YOUR ICE-CREAM FOR WEDNESDAY!!				

Acting 101 Take the week to jump into another's shoes and tell their story. Practice acting techniques and discover how to create a whole new character.

Ball Games Basketball, soccer, sprouts, medic, kickball, and more oh my!

BeeBots Find out what all the buzz is about with BeeBots! It's a perfect introduction to robotics! This colorful bee robot will help teach sequencing, estimation, problem solving, and is so much fun!

Beginners Coding Using the Khan Academy website campers can use the tutorial library, interactive challenges, and mastery tests to gain knowledge in Coding. A certified teacher will assist in this self-help and tutoring class.

Capture the Flag Join us for an intense game of speed, agility, and strategy! If you can outrun or outsmart your opponent you may end up capturing the flag!

Cardio Dance Fitness Learn about the benefits of exercise while having fun! This class will combine easy dance moves with strength training and yoga to give a full body cardio workout.

Colored Pencils In this colorfully-creative class we will learn how to use colored pencils to blend shades, create geometric shapes, and develop abstract pieces. Use your eyes to draw our colorful world.

Comedy Push yourself into new creative directions and create winning punch lines to share with friends!

Computer Math Games Campers will build on their math skills in a fun way using different websites like Khan Academy, PBS Kids, Math Playground and others. A certified teacher will assist in this self-help class.

Core Strength Your core is the center of your body, different exercises that build its strength and stamina will be utilized in this hour long class.

Crafts of Mexico We'll take a crafty visit to our friends in the south as we make crafts like fiesta flowers, mini pinatos, Ojo de Dios and more!

Desert We know what it's like to live in the desert as a human, but what is the world like for bats, scorpions, snakes, jack rabbits, and even cacti?! Art, fun, and learning will be our guide on this adventure!

Digital Citizenship Learn how to be a good Digital Citizen! This camp will teach basics of navigating the internet while being safe. Topics covered will also include typing skills, netiquette, and cyber bully prevention.

Drawing This fun class is all about learning the basics and gaining confidence in drawing. We will learn and develop a wider range of drawing skills in basic shapes, silhouettes, and fantasy-scapes.

Emoji Decor Decorate your space with all things emoji! Learn how to make emoji themed decor items to brighten up your home.

Emoji Food The snack that smiles back! Learn to make simple emoji snacks that look as good as they taste. (Allergy warning: This is not a gluten/dairy/nut free class)

Emoji Wear Wear your hearts, smileys, and other emoji favorites! Create your own wearable emoji gear using a variety of materials and techniques.

Everything Emoji Emojis are everywhere! Enjoy making emoji themed crafts using a variety of materials and techniques.

Fiction Create your own fictional stories! In this class, we will use our imaginations and writing skills to create our own fantastic fiction.

Floor Hockey Come inside and cool off with indoor floor hockey. Together we will learn how to be quick on our feet, handle the puck using a hockey stick, and shoot accurately.

Garden Art Brighten up your backyard, garden, or patio with some color and creativity. Create memorable projects with recycled materials, rocks, seeds and more!

Gator Ball Games Games is the name is the name of the game! We'll play everything from ball games to team games and everything in between!

Improv Allow your creativity to flow in this fun and entertaining class in this improvisational how-to class.

Intro to Coding Learn the basics of code and programming through fun simple exercises.

Jungles Let's appreciate one of the world's increasingly-smaller, yet ceaselessly - fascinating environments as we enter the wild world of tropical rainforest biomes. Participate in fun academic and artistic activities based around ecological components of a jungle environment.

Mexican Cooking Become a master chef as we cook up some delicious treats like churros, guacamole, tortillas, fresh salsa and more! Buen provecho! (Allergy warning: This is not a gluten/dairy/nut free class)

Mexican Culture Bienvenidos! Learn about the Mexican culture that is so prevalent in our very own city of Tucson. Through stories, song, dance and crafts we can explore the culture of our bordering country!

Non Fiction Just the facts! Expand your writing techniques by writing true life events and factual stories.

Oceans Dive into our world's deep oceans. Explore the vast biodiversity and marine ecology through engaging activities and art projects.

Paper Quilling Learn how to do paper quilling of different shapes and sizes. Create beautiful artwork relating to nature using different methods of paper quilling.

Parachute Games Play with everyone's favorite piece of PE equipment: the giant parachute! We will have fun with the classic parachute games and some variations of our own.

PE Games It's the best of PE every day! Come test your skills and see if you are a true gym star!

Pebble Art Use pebbles from the environment to create inspiring artwork with a message.

Photography Grab your camera and learn the basics of photography like lighting, composition, and editing.

Photo Editing (2 hour Block) Learn the tips and tricks to edit your photos on professional software. Take your photos and make them the best they can be.

Poetry Let words create beautiful pictures in your mind! Learn the basics of poetry writing.

Puppet Pals Learn how to make puppet friends out of different materials. Become a puppeteer with your own fun and unique puppet creation!

Quidditch Grab a broom! Quidditch is a Harry Potter inspired sport that combines the sports of rugby, medic, and tag. "Fly" around with your teammates to capture the Golden Snitch.

Strength & Conditioning Enjoy a great workout that will help improve your endurance, increase your muscular strength, and keep you healthy.

Tag Games You're it! Race around with your friends playing different variations of our favorite tag games.

Team Games Be part of the team with fun group games that will help improve your problem-solving skills, help build better communication skills, and more!

The New Classics - Elimination, Ultimate & More! It's time to play! This course will be an exciting and interactive way to learn and play sports while practicing exceptional teamwork.

Video Game Coding Learn the basics of game development to plan and create your own video games.

Watercolors All skill levels are welcome to come create. We will use various techniques of lines, shapes, and blending to bring our watercolor designs to life.

Water Kickball H.2.o. GO! We'll play this classic game with a watery twist!

Water Races Zoom Zoom! Water bucket races, and sponge tag are just some of the ways you'll have fun getting wet this hour! Off you go, don't forget a towel!

Yarn Birds Create colorful one of kind bird creations using various techniques.

Dr. Seuss & Friends Enjoy some time learning more about Dr. Seuss and other popular children's authors. We will listen to your favorite stories and do fun related activities.

Drawing This fun class is all about learning the basics and gaining confidence in drawing. We will learn and develop a wider range of drawing skills in basic shapes, silhouettes, and fantasy-scapes.

Drone Basics Welcome to the hobby of drone flying! Learn the basics to safely fly a remote controlled drone. Drones provided

Drone Races Enter the exciting hobby of drone racing! Learn techniques and maneuvers to help you sharpen your drone flying skills while racing. Drones provided

Fairytales "Once upon a time" to "happily ever after" and everything in between! We will listen to popular fairytales and do fun related activities.

Field Games Play a variety of team games in a wide open setting.

Floor Hockey Come inside and cool off with indoor floor hockey. Together we will learn how to be quick on our feet, handle the puck using a hockey stick, and shoot accurately.

Funny Fiction Read stories and do activities about some of your favorite fictional characters.

Funny Friends Read stories about funny fictional characters and maybe write about some of your own!

Gator Ball Games Games is the name is the name of the game! We'll play everything from ball games to team games and everything in between!

History of Houses Are you House Gryffindor or House Hufflepuff? In this fun Harry Potter themed camp, you will make potions, wands and other wizard gear while learning about the history of Hogwarts and all four houses.

Improv Allow your creativity to flow in this fun and entertaining class in this improvisational how-to class.

Indoor kickball We'll stay cool as we run the bases inside in this classic backyard game brought indoors!

Indoor Soccer Dribble, pass, and shoot! Let's practice our soccer skills in some exciting scrimmage games on the gym floor.

Infection Tag Who will be the last survivor? Join in for an infectious game of tag.

Intro to Greek Mythology Oh my Gods and Goddesses! Learn about the ancient and fascinating world of Greek Mythology.

Kickball Come play the classic recess game. Throughout the week we will twist it up and play some fun variations of this favorite sport.

Meal Prepping You can't create delicious meals without preparation! Learn the basics of meal preparation and helpful hints to help you create a memorable meal. (Allergy warning: This is not a gluten/dairy/nut free class)

Memory Books Create your own memory books using scrapbooking techniques! Learn how to layer photos, include details, and add finishing touches to a one of kind memory book.

Myth Writing In this class, students will take elements from ancient myths and their own imagination to write a series of myths.

Olympic Games Go for the gold! Work on your personal best as we play games that you'll see in the Olympics. Be an Olympian as you participate in sports like track and field, basketball, volleyball, badminton, and tennis.

Paper Projects Create unique works of art using only your imagination and a variety of paper in this fun-filled class.

PE Games It's the best of PE every day! Come test your skills and see if you are a true gym star!

Relay Games Zoom around for some friendly competition this summer as we build camaraderie and have few laughs!

S.T.E.M Challenges Learn elements of science and engineering through fun experiments. Design a roller coaster, make your own bouncy balls, fold origami projects and much more!

Sides & Snacks Stay entertained while making some delicious goodies in this cooking class (Allergy warning: This is not a gluten/dairy/nut free class)

Slime Science Make a different type of slime each day and learn about the related science of slime mixing. Mix up basic, glitter, magnetic, crunchy and many more types of slime!

Slot Car Racing Want to take a spin? Join the action and excitement of slot car racing.

Sonoran Animals Mountain lions, gila monsters, and cactus wrens, oh my! Explore our native desert with Mrs. Hoenshell as we learn about the animals that live in our surrounding desert.

Sonoran Plants Did you know that saguaros only grow in our native desert? Come learn about all the plants the grow in our backyard and what traits make them so unique.

Sonoran People Immerse yourself in the different cultures and traditions of the indigenous people that have thrived for centuries in the hot and dry land of Arizona.

The Story of Me Some of the best stories are about people just like you! Write the fascinating, exciting, amazing and unique story of you.

Sweet Treats Create fun desserts to satisfy your sweet tooth! Learn to create delicious desserts to impress your family and friends.

Team Games Be part of the team with fun group games that will help improve your problem-solving skills, help build better communication skills, and more!

To Infinity & Beyond Space Explorers Students will explore outer space through science, art, literature, and writing experiences.

Under the Sea Dive down into the sea of learning as we explore creatures of the deep blue. Art, fun, and discovery will be our guide in this adventure.

Wands and Wizarding Gear! The magic is in the gear! We will be creating magnificent wands and other wizard gear to keep you stylish in the wizarding world.

Watercolors All skill levels are welcome to come create. We will use various techniques of lines, shapes, and blending to bring our watercolor designs to life.

Yard Games (Indoor) Engage in traditionally inspired backyard games, with a twist. Stay entertained while learning some fun new skills.

Parachute Games Play with everyone's favorite piece of PE equipment: the giant parachute! We will have fun with the classic parachute games and some variations of our own.

PE Games It's the best of PE every day! Come test your skills and see if you are a true gym star!

Pokemon Gotta catch 'em all! Learn about different types of Pokemon and create fun Pokemon related crafts.

Slime Ready to get slimy?! Make your own gooey, slimy concoctions to take home.

Slot Car Racing Want to take a spin? Join the action and excitement of slot car racing.

Star Wars May the Force be with you! Lightspeed into the exciting world of Star Wars and all of your favorite characters.

String Art Use wood, nails, and string to create unique works of art.

Superheroes Fulfill your dream to become a superhero! Create your own capes, fight crimes, and discover your own unique superhero characteristics.

T-shirt Design Be creative and fashionable in this class! We'll use our imagination and art skills to add design and flair to our t-shirts.

Tap A technical and rhythmic dance that is entertaining and elaborate. Come learn how to make music with your feet!

Tide Pools In this explorative class, campers will learn about tide pools, what lives in them, and where they are! Participate in crafts, games, and food projects.

Unconventional Painting Think out of the canvas! In this class you will create painting projects with shaving cream, nail polish, sharpies and more.

Water Sprouts Duck, dodge, throw, catch, run and sprout the fun...in water! These sprout games will not only have you running, ducking and dodging, but also strategizing and using communication and teamwork skills to defeat your opponent.

Water Wars Cool off during the hot summer days with some water team games. Soak your opponents, and yourself, while working as a team!

MISSOULA

Join us for a musical experience!

Community Schools with Missoula Children's Theatre presents:

The Pied Piper

Week 5: June 25 - 30 Specialty Camp

The Missoula Children's Theatre presents THE PIED PIPER, an original adaptation of the classic children's tale. What do you do when your town is overrun by ravenous rats? Sara, an orphan girl, and the other Townspeople of Hamelin Town turn to the Mayor of Hamelin and his Council when their town is threatened. They then call on the Pied Piper to save them from the troublesome creatures. The Mayor's son and daughter and the Cooks also join in the endeavor. Find out what happens when the town is unable to pay the Piper and the children are led away from the town along with the rats!

Registration is first-come, first-served, and every registered student will have a part in the play. Auditions for roles will take place on Monday. **Every student must attend the audition.** A complete schedule of rehearsals will be distributed after the audition. Your role will determine which rehearsal sessions you will attend. All rehearsal sessions are mandatory. A dress rehearsal and two public performances will conclude the week. All students must attend the dress rehearsal and both performances.

Crossfit Games An introduction into the world and workouts of crossfit! Crossfit uses a mix of calisthenics and aerobic exercises as well as fun games to challenge your body.

Deep Sea Explorers Dive down into the sea of learning as we discover the creatures of the deep blue. Art, fun, and learning will be our guide on this adventure!

Dodgeball Variety Sprouts, Medic, and Go-Go ball are just a few of the variations that we will play!

Framing Fun Come create fun photo holders to take home and decorate your room with.

Henna Art Take a peek into origin and history of Henna! You will learn techniques to make henna paste, beautiful henna designs, and take away cones. (Allergy warning: be aware that portions of class may include the option to create henna art on the skin.)

History of Houses Are you House Gryffindor or House Hufflepuff? In this fun Harry Potter themed camp, you will make potions, wands and other wizard gear while learning about the history of Hogwarts and all four houses.

Hip Hop Not the same old song and dance! This hip-hop course will show you how to move and groove to new-aged, pop music.

Indoor kickball We'll stay cool as we run the bases inside in this classic backyard game brought indoors!

Jazz Let's dance! This class will help expand your coordination, musicality, and rhythm. We will discover the fundamentals and technique of dancing to jazzy, upbeat music!

Legends Explore legends from around the world including King Arthur and the Knights of the Round Table, Robin Hood and more!

Memory Books Create your own memory books using scrapbooking techniques! Learn how to layer photos, include details, and add finishing touches to a one of kind memory book.

Mythology Listen to and read about mythological tales from around the world including Greek, Celtic, Chinese and Hawaiian mythologies. Make Mythology related crafts and compete in Olympic games.

Oceans Dive into our world's deep oceans. Explore the vast biodiversity and marine ecology through engaging activities and art projects.

Paper Projects Create unique works of art using only your imagination and a variety of paper in this fun-filled class.

Potions Galore Have a blast brewing mystical mixtures in this Harry Potter inspired class.

Pokemon Gotta catch 'em all! Learn about different types of Pokemon and create fun Pokemon related crafts.

Ready Set Race! Race your friends in classic games like relays, scooter races, and more.

S.T.E.M Challenges Learn elements of science and engineering through fun experiments. Design a roller coaster, make your own bouncy balls, fold origami projects and much more!

Slime Science Make a different type of slime each day and learn about the related science of slime mixing. Mix up basic, glitter, magnetic, crunchy and many more types of slime!

Slime Ready to get slimy?! Make your own gooey, slimy concoctions to take home.

Sonoran Animals Mountain lions, gila monsters, and cactus wrens, oh my! Explore our native desert with Mrs. Hoenshell as we learn about the animals that live in our surrounding desert.

Sonoran People Immerse yourself in the different cultures and traditions of the indigenous people that have thrived for centuries in the hot and dry land of Arizona.

Sonoran Plants Did you know that saguaros only grow in our native desert? Come learn about all the plants the grow in our backyard and what traits make them so unique.

Sprouts Duck, dodge, throw, catch, run and sprout the fun! These sprout games will not only have you running, ducking and dodging, but also strategizing and using communication and teamwork skills to defeat your opponent.

Star Wars May the Force be with you! Lightspeed into the exciting world of Star Wars and all of your favorite characters.

Superheroes Fulfill your dream to become a superhero! Create your own capes, fight crimes, and discover your own unique superhero characteristics.

T-shirt Design Be creative and fashionable in this class! We'll use our imagination and art skills to add design and flair to our t-shirts.

Tag Games You're it! Race around with your friends playing different variations of our favorite tag games.

Tap A technical and rhythmic dance that is entertaining and elaborate. Come learn how to make music with your feet!

Tide Pools In this explorative class, campers will learn about tide pools, what lives in them, and where they are! Participate in crafts, games, and food projects.

Unconventional Painting Think out of the canvas! In this class you will create painting projects with shaving cream, nail polish, sharpies and more.

Wands and Wizarding Gear! The magic is in the gear! We will be creating magnificent wands and other wizard gear to keep you stylish in the wizarding world.

Yoga & Meditation Yoga and Meditations Learn how to do yoga to keep fit and healthy and improve body awareness. We will practice yoga stretches, peaceful meditation, and play fun games to take care of minds, bodies, and spirits.

Summer Camp 2018 at Valley View Early Learning Center

3435 E. Sunrise Drive
(520) 209-7650

Classes for young children ages two-and-a-half through five
(entering Kindergarten in August 2018).
(All children must be potty trained to enroll. No pull-ups allowed.)

Early Bird Pricing!
Register by May 18th
and SAVE!

Join us for a fun-filled summer of exploration.

Certified teachers will ensure an authentic experience through play-based activities in an exceptional outdoor and indoor environment. Your child won't want to miss a minute of summer at Valley View Early Learning Center.

Come, learn and play!

Session 1: May 29 - June 8

Session 2: June 11 - June 22

Music Makers

Children will be introduced to musical concepts through singing, movement, creative drama and playing instruments.

Inventive Engineering

Children will explore engineering as they solve problems, create simple machines, and build amazing structures.

Session 3: June 25 - July 6

Session 4: July 9 - July 20

Treasure Island

Let your pirate imagination run wild while you study maps, find treasure and explore the deep ocean blue!

Under the Stars

Go on an intergalactic adventure as we study stars, planets and the night sky.

Additional opportunities:

Lunch Bunch: All children can stay and eat lunch with their friends each day from 11:30 - 12:30. During this time children will bring their own lunch and enjoy eating with their classmates. Children will also enjoy a variety of activities each day after they finish their lunch.

Extended Care: These sessions will be held each day from 7:30 - 8:30 and 12:30 - 5:00. You can sign up for one or more hours daily, to extend your day at school. Children will be involved in a variety of activities designed to be developmentally appropriate for young learners. During a portion of the afternoon extended session, students will have the opportunity to rest and/or nap.
