

## Course Emporium

### Summer Credit Recovery Program

The CFHS Summer Course Emporium Credit Recovery Program is open to any current CFHS student who needs to make up a failing grade in Math, Science, English or Social Studies. Curriculum is self-paced and delivered via online coursework tailored to CFHS standards and benchmarks. A certified teacher supervises students in a CFHS computer lab.

#### 2018 Summer School Dates and Times:

Session 1: May 30 – June 22

Session 2: June 25 – July 19 (no class 7/4)

Students work 7:45 am – 2:15 pm daily (Mon-Fri)

Lunch break from 10:45 am – 11:15 am.

#### Registration/Enrollment:

**Students must see their Counselor to receive approval for credit recovery coursework prior to registration.** Students may be approved to take either semester of grades 9-12 Math, Social Studies, English and/or Science during either session. Completed registration forms and fees are to be submitted to CFHS Community Schools Office. Note: Summer school is for credit recovery only, NOT for acceleration.

Sessions are filled on a first-come, first-served basis. Summer course fees must be paid in full at the time of registration. There are no fee reductions. There are no refunds once the session has begun. Summer Course Emporium is contingent upon enrollment. A full refund will be made to those students enrolled if a session is cancelled due to low enrollment. Refunds will be made payable to the payee of this registration.

#### Attendance Policy:

Students are encouraged to attend during the session(s) they are enrolled with the fewest absences possible in order to avoid having to pay for attending an additional session to complete course work. Administration may remove students due to lack of work completion or for behavior issues on a temporary or permanent basis. Students who are withdrawn from Course Emporium for lack of work completion or behavior issues will receive no refund.

#### Tuition and Refunds:

Tuition is \$125 per half credit with a one-time \$25 registration fee. If a student does not complete the half credit in the 18-day session limit, then the student must register for the next session with an additional \$125 to maintain a seat.

If a student completes a course (.5 credit) before the end of the 18-day session and needs to take another course for credit, the student must pay \$125 to start the next course and continue into the next session until the course is complete.

Fees must be paid in full at the time of registration. A 75% refund is available for withdrawals on or before the Wednesday before the session begins. There are no refunds once the session has begun.

#### Completion of Grades:

All assignments and exams for the registered course must be completed by the end of the session to earn .5 credit. The successfully completed course will be added to the student's transcript with a P (passing) grade and .5 credit. The previously earned and notated F will be changed to an X and the student's GPA will be recalculated with the F removed. The P is neutral (i.e., .5 credit is awarded but there is no impact on the student's GPA.) There is no F or Incomplete for Course Emporium. Students who do not successfully complete a course will have no update made to their transcript. A student who finishes his/her coursework and testing prior to the end of session will not need to attend the remaining days of the session.

#### Transportation:

Students must provide their own transportation. Summer parking is first-come, first-served. No parking pass is required.

#### Lunch:

Students are responsible for bringing their own lunch or purchasing pre-paid hot lunch through Camp Foothills. The computer lab will be closed during lunch break and students may take their lunch to the cafeteria or plaza. CFHS is a closed campus and students may not leave campus for lunch. No lunch can be purchased a la carte. You may register for the lunch program on-line once Camp Foothills registration begins.

#### CFHS Code of Conduct:

Summer School students are expected to adhere to all Catalina Foothills School District *Student Code of Conduct and Dress Code* policies (available on CFHS website). No excessively revealing clothing or alcohol, tobacco, drug related images may be worn. Underwear (including bra straps) must be covered. No smoking, drugs, alcoholic drinks or weapons are allowed on campus at any time. Electronic devices may be used with teacher permission only. Students who are removed from Summer Course Emporium for conduct issues will receive no refund.
