Session 1: May 28 – June 7

Nuts About Nature

We'll let nature be our teacher as we explore, collect, investigate and create with nature around us.

Session 2: June 10 - June 21

Simple Machines

We are getting busy and making work easy with simple machines. How do levers, planes, ramps, pulleys, and wheels make our world work?

Session 3: June 24 - July 5

Water Works

Why is water wonderful? Where does it come from? How does it move? Investigate all things water including water use, water movement, and of course water play.

Session 4: July 8 - July 19

Celebrate Cities

Discover the special world of structures in our city. From houses to skyscrapers, we will explore the many parts and purposes for buildings in which we live, work, and play.

Additional opportunities:

Lunch Bunch: Children can stay and eat lunch with their friends each day from 11:30am - 12:30pm.

During this time children will bring their own lunch and enjoy eating with their classmates. Children will also enjoy a variety of activities each day after they finish their lunch.

Enrichment: These sessions will be held each day from 7:30 - 8:30am and 12:30 - 5:00pm. You can sign up for one or more hours daily to extend your child's day at school. Children will be involved in a variety of activities designed to be developmentally appropriate for young learners. During a portion of the afternoon enrichment session, students will have the opportunity to rest and/or nap.
