Completed registration forms and fees are to be submitted to CFHS Community Schools Office located across from the Nurse's Office or dropped off at the Front Office of the High School - Attn: Community Schools. Note: Summer school is for credit recovery or D replacement only, NOT for acceleration.

Sessions are filled on a first-come, first-served basis. Summer course fees must be paid in full at the time of registration. There are no fee reductions. There are no refunds once the session has begun. Summer Course Emporium is contingent upon enrollment. If a session is cancelled due to low enrollment, a full refund will be made to enrolled students. Refunds will be made payable to the payee of this registration.

Attendance Policy:

Students are encouraged to attend with the fewest absences possible to complete course work as soon as possible. Administration may remove students due to lack of work completion or for behavior issues on a temporary or permanent basis. Students who are withdrawn from Course Emporium for lack of work completion or behavior issues will receive no refund.

Tuition and Refunds:

Tuition is \$125 per session and per .5 credit with a one time \$25 registration fee. If a student does not complete the .5 credit in the 27-day session limit, then the student may pay a daily rate of \$25 to complete the course after July 3.

Students may register for both the AM and PM Session and complete 2 courses. If a student completes a course (.5 credit) before the end of the 27-day session and wants to take another course for credit, the student must pay \$125 to start the next course.

Fees must be paid in full at the time of registration. A 75% refund is available for withdrawals on or before the Wednesday before the session begins. There are no refunds once the session has begun.

Completion of Grades:

All assignments and exams for the registered course must be completed by the end of the session to earn .5 credit. The successfully completed course will be added to the student's transcript with a letter grade earned and .5 credit. The previously earned and notated F (or D) will be changed to an X and the student's GPA will be recalculated. There is no F or Incomplete for Course Emporium. Students who do not successfully complete a course will have no update made to their transcript. A student who finishes his/her coursework and testing prior to the end of session will not need to attend the remaining days of the session.

AzMERIT Testing:

Students who are completing credit recovery for Algebra 1, Geometry, Algebra 2, English 2, English 10, or English 11 must take the state-mandated AzMerit end-of-course assessment for that subject area. The assessment will occur in Course Emporium upon the completion of the coursework and is required regardless of prior passing of the test.

Transportation:

Students must provide their own transportation. Summer parking is first-come, first-served. No parking pass is required.

Lunch:

Students participating in both sessions are responsible for bringing their own lunch or purchasing pre-paid hot lunch through Camp Foothills. The Course Emporium computer lab will be closed during lunch break and students may take their lunch to the cafeteria or plaza.
