

# Join **ECMS/OGMS**' newest club... **Bring Your Own Lego Club!**

**Do you enjoy building lego??**

**Do you want to connect with your classmates in person and/or remotely??**

## **10 Incredible Benefits of Playing with Lego®<sup>1</sup>**

- Teamwork and Social Skills.
- Communication and Language skills.
- Problem-solving, Mathematics, and Spatial Awareness.
- Creativity and Experimentation.
- Physical Development.
- Perseverance and Management of Frustrations.
- Self-Confidence.
- Lowering Anxiety and Stress.

**Come join the Catalina Foothills Community Schools Bring your own  
Lego club!!**

**The club will be available in person and online simultaneously. (ECMS online only)  
We will be hanging out, building lego, and tackling a new lego challenge each week.**

**Come have fun and build!!**

You have two options to choose from. There will be a Tuesday class OR Thursday class you can sign up for (allowing for all in-person cohorts at OGMS a chance to come in person if you wish).

Each class will be 9 sessions:

The Tuesday class will be offered Jan 19, 26, Feb 2, 9, 16, 23, Mar 2, 9, 16.

The Thursday class will be offered Jan 14, 21, 28, Feb 4, 11, 18, Mar 4, 11, 18.

After school 2:45-4:15 / \$80/kid

**\*\* Just bring your own one-gallon ziplock bag full of legos to each class! Don't have a bag of legos yet, no worries, below are pictures of a great kit that will get you started!!\*\* If you need more ideas you may contact the instructor, Ms. Sarah, [sdeane@cfds16.org](mailto:sdeane@cfds16.org)**
