## What is the C.A.R.E. Program?

- **C.A.R.E.** stands for Children's Activity and Recreational Environment

- This program is offered at each of our four elementary schools to enrolled students

Our goal is to provide a safe environment where your child can enjoy a broad range of planned activities with their friends. Some of these activities include arts and crafts, cooking, sports, quiet and active games, community service projects, as well as time to do homework.

- Our hours of operation for our **Morning Program** are from 7:00 am - 8:00 am.
- Our **Afternoon Program** begins at school dismissal (1:30 pm on Early Release Days, 3:00 pm on Normal Days and 11:30 am on Half Days of school) and ends at 6:00 pm on Normal, Early Release & Half Days, but at 5:30 pm on the Full Days of **C.A.R.E.**
- Your child may participate in hourly increments any number of days per week.
