Community Schools reserves the right to exclude a student from a Community Schools activity if it is being established that the student has violated any provision outlined in the student discipline policies, rules, and/or regulations. Additionally, Community Schools staff may exercise discretion in removing a student if such action is deemed to be in the best interest of the activity or the school as a whole.

WAITLIST POLICY

If a class you are wanting to register for fills up, please make sure you click on the yellow button on the class, to be added to the wait list. This will ensure you are contacted if a spot becomes available.

WELCOME!!

FROM THE OFFICE OF COMMUNITY SCHOOLS

Welcome Orange Grove Families!

My name is Jennifer and I am the Office Coordinator for Community Schools with a focus on Middle School, High School, and Outdoor Programs. I wanted to introduce myself to those that don't know me, and pass along a little info that will hopefully help you to navigate my section of Community Schools.

If you ever have any questions regarding these programs, please feel free to call me and I will do my best and try to get you an answer. My office is at the district office at 2101 E. River Rd., so I am usually NOT on campus. If I can't answer your questions, I'll be able to direct you to the right person. If you have trouble with your Community Schools accounting, the program itself, or just general questions, please call or email me at Jnoyce@cfsd16.org or 520-209-7562.

You'll find our registration program at cs.cfsd16.org. If you haven't already, you need to create an account or start a new registration for this school year so that you're ready for Q2 enrollment.

If you are interested in registering for athletics this year, you need to complete an athletic packet. This is done through the AKTIVATE website at registermyathlete.com. Your athlete will need to be cleared by a doctor every year and you'll download the form for this sports physical that's required when you're completing the process here. NOTE: Just like our registration program, if you already have an account, you just need to log in and complete a new registration for this school year.

My biggest tip... watch for the quarterly registration dates on each quarter's brochure and prepare to log in to your account promptly at 8:30am on those dates. These classes (especially athletics) fill up super fast!! You'll want to be sure to secure your spot early.

Have a great school year!

Respectfully,

Handwritten signature of Jennifer Noyce.

2024-2025

Welcome to Community School's
Orange Grove Middle School After School Program!

CATALINA FOOTHILLS Community Schools

ENROLLMENT INFO FOR THE 2024/2025 SCHOOL YEAR

OUR PROGRAMS:

Community Schools offers:

- **Study Hall** - Each day after school Monday – Friday, 2:45 – 4:15pm and Wednesday mornings from 7:30 – 9:00am.
- **Enrichment Classes** – Each quarter after school (and before school on Late Start Wed.) Art, Computer Coding and Game Design, Chess, Drama, Crafting, Yearbook, Cooking and more!
- **Athletics** - We offer a wide variety of sports activities for our students, both Intramural (6th grade) and Interscholastic (7th & 8th grades) An athletic packet will need to be uploaded to the RegisterMyAthlete program as described below.

HOW TO ENROLL:

We post the brochures on ParentSquare a few days prior to each quarter's enrollment. If you prefer, we always post our brochure online at <https://communityschools.cfsd16.org/home/school-programs/middle-school-programs> so you can check the website a few days before enrollment begins!

SOME TIPS:

Our classes and athletic programs fill up **very** quickly - sometimes within a few minutes! We encourage you to, if you haven't already, set up a Community Schools account ahead of time to make registration quick and easy at cs.cfsd16.org
NOTE: If you already have an account, you will simply log in, and update your account by clicking on the NEW 2024/2025 Registration button and make sure your info is current or updated.

- All students who signed up for Athletics are required to have a current sports physical and a completed athletic packet in order to participate. This must be turned in before they can attend a practice or participate in any games. Go to the AKTIVATE program, www.registermyathlete.com, and create an account. Here, you will download, sign and upload the forms to us for safe keeping. We will keep it on file for the entire school year, so you only have to do this once per school year.
- Class enrollment is **ONLY** available ONLINE. If a class or sport is full, you can be added to the waitlist. You will be contacted if a spot becomes available to you.
- **STUDY HALL** is available for enrollment on a per day basis. You can choose which days your child needs to attend by selecting them on the calendar, and you can schedule as far in advance as you like.

Important Enrollment Deadline: You must enroll your child **by MIDNIGHT the night before attendance** to avoid late fees.

Please Note: If your child arrives at Study Hall and is not enrolled on the roster, they will be sent to the office to call home.

At that point, parents can either:

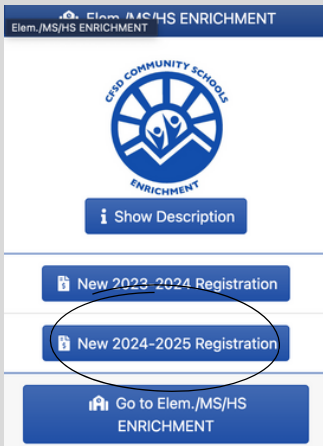

- Contact Community Schools to enroll for that day, 520-209-7562 and pay the **additional \$15 late fee**, or
- Pick up their child from the office.

Thank you for your cooperation!

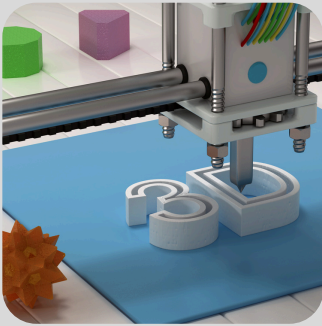

BUS TRANSPORTATION:

We DO provide bus transportation home after Community Schools activities for students who already have a bus pass. Bus transportation will also be provided to and from most normal sporting events. Some exceptions apply. Please refer to the sport schedule for specifics.
